

# China Global Citizen Camp

Students are invited to explore Chinese education and authentic Chinese culture with fellow students from around the world.

## Connect

Students will connect across their cultures with peers of their age in schools around the world.

## Collaborate

They will work together throughout the week, engaging in activities across curriculum, sports, crafts and heritage.

## Inspire

On their return, perspectives shift. Confidence blooms. Their view of the world and themselves is transformed.

## Why In-School Immersion?

### Safe & Secure

Students can explore far-reaching destinations in the safe academic environment of a school.

### Engage with Multiple Cultures

Students from multiple schools and countries will be in attendance.

### Authentic Global Engagement

Students don't just visit. They speak, engage and learn alongside each other.

### Educational Impact

Easily evidence the educational value of your trip.

### Optional Extras

Speak to the team about activities that can be added to your trip

**Focus, ambition,  
and academic  
commitment**

## China Global Citizen Camp

**Location: Wycombe Abbey  
International School, Changzhou**  
**Date: 1-7<sup>th</sup> November 2026**  
**Ages: 10-13 years**

WAS Changzhou, founded in 2012, is an oasis on the banks of West Tai Lake.

Seamlessly integrating the essence of Chinese culture with global educational excellence, it was honored with the title of “International School of the Year” by the Boarding Schools’ Association in 2022.

The school emphasises not only the cultivation of outstanding academic capabilities but also the enhancement of students’ core competencies and global perspectives.

Through a comprehensive range of courses and activities, including over 20 musical instruments, 30 sports activities, and 10 school expeditions, students build a solid foundation for admission to world-renowned schools and lifelong development.
